

# PAPAKOLEA NEWS

JANUARY 2021

Aloha,

Happy New Year! We hope everyone had a safe, healthy, and blessed holiday season. As we said goodbye to 2020, we celebrated a memorable year of Papakolea coming together and facing new challenges. Through one of the most difficult years of our time, Papakolea became kinder neighbors, greater friends, and a stronger community.

While a worldwide pandemic is new to Papakolea, struggle is not. Organizing and mobilizing to establish this homestead, perpetuating traditional practices, and promoting community engagement are all examples of the battles and victories we share. KULA is a victory Papakolea shares. In 1992, a group of community women created Papakolea's first non-profit to address a failing education system for struggling Native Hawaiian students and families. Founding kupuna named us *Kula no na Po'e Hawaii 'o Papakolea, Kewalo, Kalawahine* to purposefully highlight the communities we exist to serve.

The Coronavirus pandemic is another battle in Papakolea's story of resiliency. We recently decided to return to the original name to honor our founding kupuna and empower our movement forward. We at Kula no na Po'e Hawaii o Papakolea, Kewalo, Kalawahine are prepared for the journey ahead and look forward to more shared victories.

Eo Papakolea! Eo Kewalo! Eo Kalawahine!

Aloha kekahi i kekahi,

Dr. Adrienne Dillard, Executive Director

## KUPUNA COMMUNITY CARE NETWORK UPDATES

Mahalo to everyone that completed their KCCN II intake forms. KCCN staff will continue kupuna wellness check phone calls and intake follow-up. As a friendly reminder, the Lanakila Meals Grab & Go program will be ending on Wednesday, February 17. Due to the limited time left, new applications are not being accepted.

KCCN Program Coordinator Mahealani Austin and 'ohana welcomed a healthy, beautiful baby girl. We're blessed to add another member to the KULA Krew and send love and well wishes to the Austins! Mahea is an amazing KCCN team leader and we wish her a restful maternity leave as she enjoys her new bundle of joy and love.

Please direct all KCCN calls to **808-371-4015**. This phone line is dedicated to the KCCN program and ensures staff and participants are able to communicate quickly. Mahalo!

## **FOOD DISTRIBUTION: PAPAKOLEA PAYS IT FORWARD**

During this pandemic, Papakolea families were greatly blessed with food boxes. The new schedule of distributions now allow us to share the blessings with 'ohana and friends outside of community. For the month of February, Papakolea, Kewalo, and Kalawahine families can refer family and friends to register for food boxes on the dates below. Registration process is the same as community distributions; calls are accepted the Monday of distribution week on a first come, first served basis. Food boxes are in high demand so to confirm community referral, families registering will be asked to provide your 'ohana name and homestead address. This assures KULA that all families referred are an extended part of our communities' 'ohana. Please see February’s schedule below.
