

Fifteenth Annual International Conference on the Health Risks of Youth
January 6-9, 2026
Fiesta Americana All-Inclusive and Spa, Puerto Vallarta, MX

Presenter Information

Roundtable Presenters:

- 1) The roundtable session is scheduled for Tuesday, January 6 @ 7:30 pm.
- 2) There will be a Welcome Reception preceding the session at 6:30 pm in the ballroom foyer. Hors D'oeuvres and drinks will be provided.
- 3) There are two sets of presentations, with six roundtable offerings per session.
- 4) Each session will consist of one 30-minute time block with a 10-minute changeover break.
- 5) You can use computers, iPads, handouts, and/or group discussion for your presentation.
- 6) Internet service is provided in the meeting room, but just know that hotel wifi is notoriously slow and unreliable. As a result, please make sure you can access your presentation(s) directly on your devices.
- 7) You can bring handouts or make them available electronically. Health Advocates will **not** provide copies of handouts. ***History has shown providing electronic access to session materials is a much more efficient and preferred way to share information.***

Oral Session Presenters:

- 8) Oral presentations are scheduled for the mornings of Wednesday, January 7th and Friday, January 9th following a general session each day.
- 9) There are two oral sessions per day, but only one offering per session.
- 10) Each session will last 60 minutes with a 10-15-minute changeover break.
- 11) Each room will be set as table rounds with 4-5 chairs per table.
- 12) You can rearrange your room as you see fit, but asking hotel staff to rearrange the room results in an additional fee to Health Advocates.
- 13) You will be provided a projector, screen, and wireless remote. Health Advocates will **not** provide computers to any presenter. **Please note we have had non-stop problems with Mac Books, Mac Book Pros, and other Mac products connecting to projectors.** If you use a Mac, please bring any special connectors required and have a backup plan should the Mac product not connect to the projector.
- 14) Internet service be provided in the meeting room, but just know that hotel wifi is notoriously slow and unreliable. As a result, please make sure you can access your presentation(s) directly on your devices.
- 15) You can bring handouts or make them available electronically. Health Advocates will **not** provide copies of handouts. ***History has shown providing electronic access to session materials is a much more efficient and preferred way to share information.***

Note: There are 23 participants registered, so plan your handout number accordingly.
