

## **Charities Supported by PebbleCreek Quilters**

### **Hospice of the Valley**

Hospice of the Valley is Arizona's leading provider of end-of-life care. HOV is among the nation's oldest and largest non-for-profit hospices and remains committed to their original mission: Bringing comfort, dignity and compassionate care to our community.

### **Magdelene House**

We present quilts as housewarming gifts to women who are just released from the Perryville Prison and are new to Magdelene House. The house provides safe, long-term recovery housing that allows post-incarcerated women to heal, gain employment, and save for the future. It is an arm of the Bridges Reentry Organization. There are two houses with six beds in each house, one in Avondale and one in Goodyear.

### **Southwest Family Advocacy Center**

Southwest Family Advocacy Center is a multidisciplinary facility developed and funded by the police departments of Avondale, Buckeye, Goodyear, and Maricopa County Sheriff's Office with their own funding. It is a child and family-focused facility where professionals in law enforcement, child protection, prosecution, mental health, medical, and victim advocacy work together during the investigation, treatment, management, and prosecution of child abuse cases, sexual assault, domestic violence. They refer to these children as "clients" instead of "victims." Currently they are 3- 17 years of age.

### **Luke Air Force Base**

Luke Air Force has many young men and women that are newly enlisted and are just starting their careers as well as their families. Their income is very low at this stage, which can make it difficult for these young families. A sweet baby quilt can bring joy to all these families. This is a small token of thanks to our heroes and neighbors.

### **PebbleCreek Pet Companions Club**

We provide dog beds to the PebbleCreek Pet Companions Club who use them in our own community as well as providing them with various local shelters.
