# Welcome to Pebble Creek and the PC Quilters Club

## Keys to Success:

1. Please read the welcome packet that was emailed to you. It contains loads of useful information.
2. Take some time to acquaint yourself with our website. Our website is a great source of current information – meeting times, special functions, classes/registration, longarm, board minutes/financials, photos, etc. Please check it regularly for new information.... [www.pebblecreekquilters.org](http://www.pebblecreekquilters.org)
3. Schedule a Room Orientation Tour with our Membership Chair.
4. Attend a General Meeting: Get to know your fellow quilters! We meet on the 2nd Monday each month in the Chianti room which is located in the Tuscany Falls Building. Social time starts at 6:00pm and the meeting starts at 6:30pm. After business is discussed, we have a great show and tell!
5. Please check the online calendar or schedule by the Diamond Back Room (AKA Fiber Arts Room) for availability. Because we share the space with other clubs and close it to the public during our classes, the room is occasionally closed.
6. LongArm Use: Members may use the Longarm quilting machine, once they have been certified. Policies and Procedures must be followed to ensure user safety and avoid damage to this expensive piece of equipment. Pantographs are not to be removed from the room. Fees for long arm use are a minimum of \$16.00 for a four-hour time block. Because we have so many members that use the longarm, member use is limited to once every 3 weeks. Quilts for **club sponsored** charities may be quilted for free. Please speak to a longarm committee member for more information
7. General Equipment Use: Our club has irons, cutting tables, tools and sewing machines for members to use while in the Fiber Arts room. No items are to be taken out of the room with the exception of items from our library. We have a large library with many quilting books and periodicals...please feel free to take advantage of them.
