

# PCQ SCRAPPY FRIENDSHIP STARS

Skill level: Easy

Twin, 72" x 90"  
4 x 5 block layout, 20 blocks

Throw, 54" x 72"  
3 x 4 block layout, 12 blocks

Light Block

Dark Block

Block, 18" finished  
(18-1/2" unfinished)

## MAKE BLOCKS IN PAIRS. For each pair of blocks:

### Make Half Square Triangles (HSTs):

- Using 7-1/4" squares, press light squares on the diagonal, corner to corner, wrong side in.
- Place a light square and a dark square right sides together and sew 1/4" on each side of the crease.
- Cut apart on the crease; press seam open or toward the dark.
- Square up and trim HSTs to 6-1/2". Make 8 HSTs per pair of blocks.

### Assemble Blocks:

- Lay out (5) 6-1/2" squares and (4) HSTs to create blocks as shown above. Make one block with light corners and a dark star, and the other with dark corners and a light star.
- Sew into rows, then sew rows together. Press as indicated by arrows above.
- Block size is 18-1/2" unfinished.

### Assemble Quilt:

- Make the number of blocks needed for the quilt size you're making.
- Arrange blocks according to the quilt layout images, alternating light and dark blocks.
- Sew blocks into rows; press seams toward the dark blocks.
- Then sew rows together to complete the top.
- Layer, baste, and quilt as desired.
- After quilting, attach PCQuilters label to the lower right corner of the back and bind the quilt.

### TO MAKE KITS FOR COMMUNITY SERVICE SEW DAYS:

Each kit should have at least 15 dark fabrics, or more, and at least 5 or more light fabrics to make the quilt as scrappy as possible. 3 yards total of lights and 3 yards total of darks

**Cut the number of pieces listed below from light fabrics and cut the same number from dark fabrics.**

- Cut 10, 7-1/4" WOF (Width-of-Fabric) strips. Sub-cut each strip as follows:
  - Cut 4, 7-1/4" squares. Yield 40, 7-1/4" dark squares and 40, 7-1/4" light squares.
  - Cut 2, 6-1/2" squares. Yield 20, 6-1/2" dark squares and 20, 6-1/2" light squares
- Cut 5, 6-1/2" WOF strips. Sub-cut each into 6, 6-1/2" squares. Yield 30, 6-1/2" dark squares and 30, 6-1/2" light squares

If cutting from Fat Quarters: Cut 4, 7-1/4" squares and 2, 6-1/2" squares. Or cut 6, 6-1/2" squares for the quantity needed.

Reserve the leftover strip for binding.

**Total Number of 7-1/4" squares needed for HSTs per twin size kit:**

**40 light and 40 dark**

**Total number of 6-1/2" squares needed per twin size kit:**

**50 light and 50 dark**
