Printed Name _____

Telephone Number _____

Welcome to Pebble Creek and the PC Quilters

Here are some bullets about the quilting group, the fiber arts room, etc., to get you started. Please read the PC Quilters information paper included in your welcome packet for more in-depth information.

Our website is a great source of current information – meeting times, special functions, classes/registration, longarm, board minutes/financials, photos, etc. Please check it occasionally for new information....

www.pebblecreekquilters.org

We meet in the Fiber Arts room the 2nd Monday of the month, with social time at 6:30 and the meeting at 7:00. After business is discussed, we have a great show and tell! You can enter the room for meetings through the back door as the front door of the center is often locked at that time of day. Phone 623/935-6703.

Dues are \$25 per year and \$15 if you join after June.

Since we share the room with various other groups, please check the schedule by the front door of the room as to the availability if you want to come up and sew. There is open sewing on Tuesday and Wednesday...we offer lots of classes so the room maybe closed some times. We get a weekly schedule via email so be sure and check it for available sewing times.

We have a great longarm for our members to use, once they have been certified by a member of our longarm certification team!!! There is a book of rules, regulations and fees, etc., in the closet...please read and follow.

In the Fiber Arts room, we have irons, cutting tables, tools and sewing machines for our members to use. We also have a very large library with many quilting books and periodicals...please take advantage of them...always a new idea to try!!

The Gallery in the front of the Creative Arts Bldg. is a great source for you to sell some of your creations and make a little \$\$.
