We will be presenting the first 3 quilts to Magdalene House next week. They will be presented in person.
8. Maureen : Jan 24 is the date for the I-spy quilt workshop. She is now putting kits together if they want to do one for Charity. An option would be to provide your own fabric and keep your quilt. Another idea is starting a block of the month club on the third Tuesday evening of each month. Karen B offered use of her e-quilt program to design the quilt. Each month would teach a new skill.
9. Julie: Cheryl McGovern will teach a new Beginner Class starting on Saturday, Jan 14, 2-4 pm. The class will run for 8 weeks, ending on March 4th. Still working on setting up other classes. Luncheon speaker will be Kelly Grant from Cactus Quilting. She is not charging a fee, but we are providing her lunch. Donna will also prepare a small gift.
10. Donna- The Featherweight club communication is only going to the members. Sue W needs to tell Maureen when there is a change in the schedule. Dec 26 meeting is also cancelled. Donna wants to do a social activity in January – still planning one for the evening. Perhaps a Happy Hour somewhere?

11. Joellen – we are selling things in the Gallery. We need a volunteer to make the 2024 Opportunity Quilt and coordinate ticket sales for the 2023 quilt.
