PebbleCreek Quilters Club
Window Display
Job Description

Summary: The windows in the Creative Art Center inform visitors about the art and scope of quilting, the skills and creativity of our members and charitable contributions. Quilts in the windows and hung in the hallway inspire visitors throughout the year.

Display Schedule:

- The display schedule is coordinated by the Creative Arts Center and in collaboration with other clubs.
- The window display is to be installed by the beginning of the month and removed by the end of the month.

Display Content:

- The display may be seasonal, highlight a quilt style or technique, focus on a particular member, or be the result of a class.
- The display may also focus on a club activity such as the annual challenge and the opportunity quilt.

Display Items:

- Items will be solicited from club members.
- Display supports and signage are maintained in the Diamondback room.
