University of Central Lancashire (UCLan) Highlights

ONCAMPUS is proud to work in partnership with the University of Central Lancashire (UCLan) to offer high-quality university preparation programmes for international students on the University campus. UCLan has a wide range of scholarships available to students who can demonstrate academic and personal excellence.

Ranked in the top **7%** of all universities worldwide by the Center for World University Rankings 2023

3rd in the UK for overall mental health services
HUMEN University Mental Health League Table 2022

1st in the UK
Ranked as the most affordable university in the UK (The Times, 2023)

The brand new Engineering Innovation Centre is a **£35 million** state-of-the-art study facility

Students on the MBBS at UCLan benefit from patient contact in Year 1.
ONCAMPUS students are guaranteed an interview for the MBBS degree*
*subject to meeting the specified entry criteria

UCLan works in partnership with a number of global brands including **NASA** and the Harvard Smithsonian Astrophysical Observatory

UCLan's new **£60 million** Student Centre and University Square, opened in September 2021 and is the thriving heart of the Preston Campus.

Esteemed academics lead research active roles from Art (Turner Prize Winner and CBE holder Lubaina Himid), Forensics and Policing (Prof. Michael Mulqueen) and Midwifery (Prof. Soo Downe)

1828 UCLan has a long academic history which can be traced back to 1828.

Why Ireland?

Known as the Emerald Isle, Ireland offers some of the world's most beautiful landscapes and coastlines. It also offers incredible opportunities for international students in terms of careers and job prospects on graduation.

World-Class Education:

Home to some of the world's leading universities and institutions known for their academic excellence.

The third safest country in the world

(Global Peace Index 2022)

Post-Study Work Opportunities:

Ireland offers favourable post-graduation opportunities for international students. The country's 1 and 2 year 'Stay Back' options allow graduates to remain in Ireland for a period after completing their studies to seek employment or gain practical work experience. This, coupled with Ireland's growing economy and presence of multinational companies, makes it an attractive destination for those looking to launch their careers globally.

Cultural Diversity and Global Perspective:

Studying in Ireland exposes international students to a rich cultural tapestry and a diverse community. The welcoming atmosphere and openness to different cultures contributes to a well-rounded educational experience, fostering a global perspective that is increasingly valued in the international job market.

Innovative and Research-Driven:

Ireland is at the forefront of innovation and research, particularly in fields such as technology, science, and business.

English-Speaking Environment:

As English is the primary language spoken, international students find it easy to integrate into academic and daily life in Ireland.
