

Welcome to our third year in Charleston!

One of the most beautiful and charming cities in America, Charleston offers the perfect blend of history and modern elegance. From stunning architecture and world-class restaurants to vibrant arts, beautiful beaches, and the historic market, it's truly a must-experience destination. Be sure to plan some extra time to get out and enjoy the city!

After receiving outstanding reviews the first two years about the hotel staff, service, and food, we are thrilled to return once again to the North Charleston Marriott!

We have so many exciting things planned, including our Friday Night Diamond Gala, where we'll award three top fashionistas with special prizes; a Congress of Legends designed to expand your ballroom knowledge; an esteemed judging panel; a fabulous pro show (to be announced in May); and of course, an inspiring and high-energy day of competitive dancing, followed by our fun Night Club session and party to close out the event!

I would be honored and excited to see you in October.

*Your Dance Friend and Host,
Jamey McCaskill*
