

## **COOPER DELGADO**

This Texas native has had a passion for dance since a very young age. He has been trained in various styles of dance from jazz, contemporary, acrobatics to his biggest passion, hip hop. Cooper first began at the age of 4 being trained in gymnastics at Concho Valley Gymnastics. Furthering his progression in gymnastics his family relocated to Dallas to further his training. Once Cooper's family relocated to Dallas he began his dance training at the age of 8 to add to his repertoire. Following his achievements in dance he went to college and graduated with a BFA in Fashion Marketing and Management. Cooper has led a successful career in the hip hop world having led his team for the past 7 years at numerous victories. Cooper is currently director of The Industry Crew at Dance Industry. These teams have been led to wins in Regional to National Championships, top recognition at Monsters of Hip Hop, KAOS, A-List Monsters, Hollywood Vibe, Dance Makers and placing 1st at the USASF Dance Worlds. Cooper's biggest joy in his career is to not only share his love of dance but to mentor and develop dancers through every step of their journey. Cooper is fortunate to have his dancers be able to create a dance career all across the United States. His goal at DIPAC is to continue this dream, mentoring the new generation to truly find their craft and their place in this industry.
