

Position Title:

Landscape Foreman (Rev. Jul 2022)

Job Description:

The Landscape Foreman is responsible for overseeing and directing the daily operations for work crews, and for assisting the owner in streamlining all aspects of Evergreen's daily operations, and ensuring that all assigned work is performed efficiently, safely, and professionally.

Responsibilities Include:

Overseeing and directing daily work crews, delegating assigned work as appropriate

Maintaining quality control of all assigned work

Ensuring efficiency/productivity of work crews

Fostering a "teamwork-focused" work environment

Adhering to seasonal schedules and project timelines

Training crew members on safely operating and maintaining trucks and equipment

Maintaining a clean/organized shop and garage

Ensuring necessary inventory/supplies are kept on-hand

Ensuring vehicles and equipment are kept in clean/safe working condition

Continuing professional growth, education and training

Job Requirements:

The qualified candidate will have:

High school diploma or equivalent

Valid driver's license and satisfactory driver's history

Ability to pass physical examination requirements and drug/alcohol testing for DOT medical card

Basic mathematical skills to calculate square footage, application rates, etc.

Professional personal appearance and image

Excellent written and verbal communication skills

Self-starter attitude, demonstrating initiative and commitment to company growth and customer satisfaction, with the ability to multi-task and meet deadlines.

Sense of punctuality/responsible time management skills, as well as a keen sense of urgency

Ability to stand and work for 8 hours per day (walk, bend, crouch, stoop, dig, rake, push, etc)

Ability to lift and carry up to 100 pounds

The ideal candidate will have:

Prior knowledge/experience in the field of landscaping

Prior knowledge/experience in heavy construction equipment operation

Prior knowledge/experience in a management/supervisory role
