MARCH 14, 2021 – 6:00 P.M. – GRAND RIVER MANOR MEETING MINUTES

SECRETARY'S REPORT

The minutes/newsletter from the February 14, 2021 meeting was reviewed and approved.

TREASURER'S REPORT

The treasurer's report was reviewed and approved.

PRESIDENT'S REPORT

The Officers and Board Members held a board meeting right before the club meeting began to discuss summer maintenance for the club property and the club's gun raffle.

Rod Butcher will create a calendar to record who will be mowing the club property during the coming months.

The Andover Volunteer Fire Department is going to hold their event virtually again this fall as opposed to having the live event at the Ashtabula County Fairgrounds this fall. In light of their decision, our club will keep the guns and raffle tickets on hold for a while to see what transpires in the future.

VICE-PRESIDENT'S REPORT

Rod will come up with some ideas as to what the club can do for the property owners next season.

SPRING TRAIL CLEAN-UP

A spring trail work party will be held on Sunday, March 28. If you are interested in helping, please report to the club storage building at 8:30 a.m.

TRAIL NEWS

The Western Reserve Greenway trail was open for seven days. Thanks to John Buckey and Gary Hines for their time spent grooming the trail.

The ranger's patrolling of the trail was very helpful in reminding snowmobilers of the rules and requirements for snowmobiling on the Western Reserve Greenway.

Thanks to Rod Butcher and Paul Carpenter for their work in re-routing the Jefferson trail.

PUBLICITY

Facebook – Paul Carpenter reported that the Facebook page worked very well in keeping everyone updated as to whether the trail was open or closed.

Website – Steven Butcher will continue to work on updating the club's website.
