ABOUT

Tim Hutson is an acclaimed smooth jazz recording artist, drummer, composer, instructor, and musical director. His releases include the Billboard Top 20 hit *Mind Over Matter* and his newest single from his upcoming album, *Looking At Her*, featuring legendary guitarist, Chieli Minucci.

Tim is a regular performer with Maysa and Gerald Veasley's Unscripted Jazz Series, Tim brings exceptional musicianship and audience engagement to festivals, theaters, cruises, concert venues, and private events. Known as a true "pocket drummer," Tim is respected for his professionalism, reliability, and easygoing personality both on and off the stage.

PEER COLLABORATIONS & PERFORMANCES

Tim has built strong relationships throughout the music industry and is highly regarded by fellow musicians and audiences alike. His upcoming album, scheduled for release later this year, features acclaimed artists Chieli Minucci, Marion Meadows, Art Sherrod Jr., Lin Rountree, and Carl Cox, with another special guest to be announced.

Over his career, Tim has collaborated with and performed alongside nearly 70 artists, earning a reputation as a versatile and highly sought-after first-call drummer. His style and quality of drumming stands out and sets him apart.
