**RE: SEPTEMBER 13, 2021 QUARTERLY COMPLIANCE UPDATE**

Dear Ms. Akers & Mr. Curley,

We received the City of Double Horn's first quarterly compliance update on September 13, 2021. Please convey to Mayor Sereno that we appreciate the timely submission and the format of the update, which was informative and should prove helpful to tracking the city's progress in implementing the terms of the Assurance of Voluntary Compliance (AVC).

After reviewing the update, we see that the city has taken action to begin implementing some of the terms of the AVC, such as approving a budget for updating the City Office, beginning discussions with the Double Horn Improvement Association and the Double Horn Creek Water Supply Corporation, and designating members of the City Council to lead the city's efforts to implement terms of the AVC. We look forward to the next quarterly update in December and hope that it will reflect further progress on the actions discussed in this update and in implementing the other terms of the AVC.

Respectfully,

**JEFF WHITE**  
Special Counsel  
Office of the Attorney General
