

VIN History Interpretation — Sample

Vehicle: 2017 Toyota Camry SE

Report Type: CarFax

Mileage: 82,140

1. Summary of Vehicle History

- Owners: 2
- Use Type: Personal
- Location History: MA → RI
- Registration: Consistent, no gaps

Overall: Stable ownership and geographic history.

2. Accident & Damage Analysis

Accident Reported (2019):

- Front impact
- Airbags did NOT deploy
- Damage classified as “minor to moderate”
- No structural damage reported

Interpretation: Likely cosmetic (bumper, grille, headlight). Low long-term risk if repaired properly.

3. Mileage Verification

- Mileage increases consistently
- No rollback indicators
- Service records align with odometer

Interpretation: Mileage appears accurate.

4. Title & Status Review

- Clean title
- No salvage, flood, or lemon branding
- No manufacturer buyback

Interpretation: No title-related red flags.

5. Service & Maintenance Review

- Regular oil changes
- Brake service at 60k
- Tires replaced at 70k
- No major repairs
- One open recall (airbag sensor)

Recommendation: Have recall completed at Toyota dealer (free).

6. Use-Type Evaluation

- No rental or fleet history
- No commercial use
- Personal use only

Interpretation: Lower wear-and-tear risk.

7. Auction & Dealer History

- One auction event (2019) after minor accident
- No repeated auction cycling

Interpretation: Normal for post-accident resale.

8. Final Recommendation

Status: Safe to Consider Risk Level: Low Buy If: Price is fair and inspection is clean Avoid If: Seller cannot provide repair documentation.
