Run-Flat vs. Standard Tire Guidance

- **Standard tires** recommended for this vehicle
- Better ride comfort
- Lower cost
- Longer tread life
- No performance benefit from run-flats on CR-V platform

Installer Suggestions

- Costco Tire Center
- Town Fair Tire
- Firestone Complete Auto Care
- Local independent shops with alignment packages

Alignment Recommendation

A **4-wheel alignment** is recommended with new tires to ensure:

- Even tread wear
- Maximum tire life

- Proper handling

Typical cost: **\$89–\$129**

Final Recommendation

Michelin Defender 2 Best overall balance of safety, longevity, comfort, and winter traction for New England driving.
