WHAT YOUR SPONSORSHIP MEANS

The Narnia Faire is more than a festival: it's a place where families and friends of all ages and histories can step into a legendary world of adventure and create lifelong memories. Here, community is created and heroes are born. Inspired by the timeless themes of The Chronicles of Narnia, our mission is to create an immersive experience that points people toward hope, belonging, and adventure. Your sponsorship is what allows us to welcome additional performers and entertainers, improve accessibility, expand our cast and crew, and create an even richer experience for every person who steps through the wardrobe.
