Petition to Appeal Rezoning Vote 1/29/20 Case No. CL20000073-00

There is overwhelming public support for preserving the character and historic integrity of Ebony, VA or simply opposing the proliferation of Dollar Generals where they are not needed and will do harm — BY SAYING NO TO EBONY REZONING AND DOLLAR GENERAL — all of which are aligned with the County's Vision, Comprehensive Plan, and Zoning Statutes

**Nevertheless Rezoning Was Passed by Brunswick County Board of Supervisors
on 1/29/20 with a Highly Controversial, Contentious, and Illegal 3-2 Vote**
