Leader: We gather to bid farewell to the old year, a year that brought burdens and blessings.

People: We thank you, O God, for the strength to bear its burdens and the grace to share its blessings.

Leader: We gather to bid welcome to the new year, a year that harbors perils and promises.

People: We ask you, O God, for the courage to master its perils and the wisdom to realize its promises.

THE COVENANT PRAYER

(Standing and in unison)

I am no longer my own, I belong to you O God.
Place me where I can be of service to you.
Let my service bear witness to your goodness.
Let me be employed in your service, set apart for your glory,
so that through my witness you will be exalted.
Let me be full of your Spirit,
and emptied of all selfishness and pride.
Let me have all things,
yet understand that without you I have nothing.
I freely and heartily surrender all that I do in the hope that it is
pleasing and acceptable in your sight.
And now, O glorious and blessed God, Father, son, and Holy Spirit,
I affirm you as my God and surrender myself to you.
Let the covenant which I have made on earth
be accepted by God in heaven.

Amen.
