Slip Owner Use- If you are in the rental pool program you can use your slip at any time- just please give us as much notice as possible (we suggest 7 days or more if peak season or holiday). If your slip is rented for a time that you would like to use your slip, we will make every attempt to relocate the renter to another slip so that you can enjoy your slip.

Guest Use- Slip Owners may allow guests to utilize their slip for **no more than five (5) days per month** free of rental charge but subject to usage fees such as water, electricity, and ice at a reduced fee from normal charges to Renters. After the 5 days, the normal rental fees apply. You can choose to pay for your guest or have them pay. This would be decided at time of reservation (see below). If no selection is made, we will bill your account for guest usage exceeding 5 days per month.
