INVITATION FOR
DHAROHAR
2023

GOVT. COLLEGE OF ARCHITECTURE
ALUMNI ASSOCIATION'S

**GBM, AND SILVER JUBILEE
OF THE COHORT OF 1998**

18th Nov. 2023 | FOAP-AKTU Campus, Lucknow

INVITATION

A college's alumni are undoubtedly the best measure of its quality and excellence. They are a major source of repute, recognition, and pride for any educational institution. Our illustrious alumni continue to bring immense honour and joy to the institution through their hard work and creative endeavours in architecture, planning, and various other allied and varied professions. They have been successful in carving a place for themselves in the profession and society all across the globe.

It's time to reunite again.

GCA Alumni Association (GCAAAA) is organizing its annual General Body Meeting (GBM) on **November 18, 2023**. This GBM is the best time to reunite, share and re-live the best moments of your life; of the life that you spent with your friends, in the place you truly love.

It will also be an extra-special moment for a few of us.

We will be celebrating 25 years of graduating--the Silver Jubilee--of the cohort of 1998 of GCA (now FOAP-AKTU).

On this occasion, we shall be organizing the very popular Gala Event **DHAROHAR 2023**, and GCA Alumni Association cordially invites you to participate in the celebrations at the event.

Hoping to see you at the event.

WELCOME!

GCAAAA

WELCOME MESSAGES

OUR PATRON **DR. VANDANA SEHGAL** **PRINCIPAL AND DEAN, FOAP-AKTU**

I take great pride in saying that this institute is steadily growing in terms of student strength, faculty strength, campus-facilitated learning environment, and resources. We take pride in what we are doing and where we plan to go. Let's join hands to move to a brighter future ahead.

AR. ATUL GUPTA **PRESIDENT, GCAAA**

Our alumni are our extended family and our strategic strength for networking and expanding horizons within India and abroad. In recent years, our North, West, South, and Overseas chapters of the alumni network have been actively coming together to provide strength to our GCAAA family. We take pride in our annual GBMs and welcome you all for this fun-filled event to connect with each other.

AR. ANUPAM MITTAL **VICE PRESIDENT, GCAAA**

Since the formation of GCAAA in 2013, we have seen a continuous progress in the college. We are growing fast, getting recognised, creating iconic work, and carrying the name of our alma mater well in the field of architecture and beyond. We welcome you all to be a part of Dharohar 2023.
