

Rotary Foundation Plymouth, NH

THANKS YOU!

Support Rotary or
Become a Rotarian

**Plymouth Rotary is proud to have the support of so many
local individuals, businesses and organizations in 2025!**

This year, and every year, we aim to raise over \$25,000 to do good in our community — scholarships for technical and academic advancement, sponsor and fund Plymouth's Hometown Holiday Celebration, and continued local charitable giving. Our annual Pennysale fundraiser relies on the donated products and services of hundreds of local businesses. In addition, we are indebted to many who become Sponsors and Supporters of our Annual Fund. Thank you.

Visit PlymouthRotaryFoundation.org, where we recognize our contributors, share information about our events, explain what Rotary does and why we do it. And, we give you an easy way to make a donation online — **just scan the QR code above.**

Thank you to the following sponsors, participants, committee members, and partners in preparation, safety, decoration, hospitality, marketing and entertainment.

As you can see, it indeed takes a village to pull together these annual events!
