

STEP 1 Sign Up

PSI is a limited tzedakah fund for middle-class families earning \$130,000+ annually who are struggling with Pesach expenses and do not receive assistance from other organizations.

- This program is for families with **three children and up**.
- Applications are available only at **www.psiyomtov.org**.
- Deadline: **Thursday, March 20**.
- Each application must have a unique phone number and email—duplicates will be disqualified.
- Ensure your correct mailing address, including unit number, to avoid delays in receiving your card.
- You must sign up for yourself—do not submit on behalf of others.

STEP 2 Processing & Updates

Processing takes a minimum of seven days from when you sign up—there is no need to call before then.

If you did not receive an email or text confirming your qualification, it means we have not yet secured enough funds for your shul kehilla. We are working to expand the program and will notify you if additional funding becomes available.

STEP 3 Receiving & Using Your PSI Card

Our goal is for families to receive their cards by Rosh Chodesh Nissan, and we will be sending them out as we process applications.

Cards from last year will **NOT** work.

The card provides a 50% discount at Bingo and All Fresh, up to the following limits:

- 3 children and up** – 50% off up to \$1,000 (you pay \$500, PSI covers \$500)
 - 6 children and up** – 50% off up to \$2,000 (you pay \$1,000, PSI covers \$1,000)
 - 7 children and up** – 50% off up to \$2,500 (you pay \$1,250, PSI covers \$1,250)
 - 10 children and up** – 50% off up to \$3,000 (you pay \$1,500, PSI covers \$1,500)
- Valid until Rosh Chodesh Iyar or until the limit is reached.*

STEP 4 Card Activation & Use

- You **MUST** activate your card before using it.
- Call the number on the back of the card, PRESS 1, and enter the last 8 digits of the card.
- If activation fails, try another phone number from the ones you submitted.
- The discount will be applied automatically at checkout. You will need to pay the remaining 50% using your preferred payment method (card, cash, etc.).

IMPORTANT NOTES

The cards will be valid until Rosh Chodesh Iyar.
