# Consulting in Columbus & Pittsburgh.

## Supporting Local Organizations.

We provide affordable strategy and technical consulting for firms (<\$50M in enterprise value) based in Columbus & Pittsburgh. We also provide pro-bono consulting to nonprofits.

## Student-Founded Firm.

Arlington Consulting was founded in the summer of 2023 by a Carnegie Mellon statistics/machine learning student and a Purdue University electrical engineering student from Columbus, Ohio.

We have had a past summer analyst class working on strategy, marketing and technical projects for clients in the medical & music industries. In addition, analysts have worked on internal projects.
