Other details: Four enrollees per group maximum (three minimum required to run the group). Parents of participants are invited to participate in a free, SLP-facilitated 20-minute training each Monday during the three weeks to facilitate carryover and address concerns/questions. This will occur at the same location.

If we have more participants than slots, we will open up another time slot on the same days back-to-back with the previous group. Topic(s) covered will depend on abilities and interests of those who want to participate. If Rebecca is not familiar with your son/daughter already, she will do a 1:1 evaluation the week of July 30th to better understand needs and abilities. Our goal is to individualize the sessions to meet the needs of participants; therefore, group enrollment is not guaranteed. If a group is not appropriate at this time based on interested participants and/or needs, 1:1 sessions may be recommended.

Cost: \$300 for an evaluation; \$750 for six group sessions. Payment due in full August 3, 2018. You will be provided with an insurance compliant invoice at the end of the three-week session. Only one absence can be made up in a future social skills group offering. No refunds for absences.
