First Strike™ Range & Gun Shop has recently changed ownership and is undergoing a complete construction renovation. The new facility includes a lounge area, class and meeting area, and larger shop space for greater inventory selection.

We strive to create a first class shooting range that offers; a safe shooting experience; beginner through advanced training; and sales of quality firearms and accessories.

Our facility boasts 12 full lanes, offering shooters a maximum distance of 50 feet to hone their skills. While shooters of all levels are always welcome, we place great attention on new shooter orientation. So, whether you are a lifetime enthusiast or have never handled a firearm before, our staff will ensure a welcoming and educational experience. Safety is paramount. Our staff will always work to maintain a safe and friendly environment.

A Letter from the President

I often reflect on what has sparked my interest in being a member of this organization for all these years. Why have I been a Jaycee for 41% of my life? And while receiving some nice hats, shirts, jackets, and other perks are enticing, the true value of serving as a Chagrin Valley Jaycee is rooted far deeper than tangible materials.

There's a culture surrounding this organization that's truly exceptional. At its foundation, being a Jaycee encourages the pursuit of personal growth and attaining professional development. On top of that, it's about making bold decisions while knowing you have the support of experienced leaders from all walks of life. It's about building confidence in oneself through the planning and execution of activities, events, and projects for the benefit of others. It's about comfort and surrounding yourself with an arsenal of good-hearted individuals. And my personal favorite, it's about building lifelong friendships.

I have the Jaycees to thank for my professional career, my social circle, and most importantly, the character I have developed over the years. The Jaycee character is one that encourages volunteering and dedicating one's time to others.

It's a character that emphasizes working smartly, but never forgetting that true reward goes hand and hand with getting your hands dirty. Our members are not above picking up trash, setting up tables and chairs or climbing telephone poles in the dead of winter to hang holiday lights. The Jaycee character that is to always be welcoming to others, realizing that so many seasoned Jaycees offered support and opportunities to you, and knowing that it is important to offer that same support and encouragement to others.

The Chagrin Valley Jaycees is continuously growing, and I contribute that success to its membership. We are over 250 members strong, being comprised of doctors, painters, lawyers, managers, laborers, business owners, financial advisors, carpenters, landscapers, and insurance guys, who all bring their professional skills to the table for the advancement of our organization.

We often marvel at the fact that very few other groups are able to pull off an event like the Blossom Time Festival in Chagrin Falls, and even fewer still can decorate an entire village with lights, garland, and trees within a three-hour window during the holiday season.

This past year I have had the absolute privilege of representing this outstanding group of dedicated volunteers as Jaycee President. I'm very proud of our organization's purpose, it's membership, and all the effort our team dedicates, year after year, to enhance the quality of life for the residents of the Chagrin Valley. I owe a lot to the Jaycees, but mostly I owe the Jaycees a great debt of gratitude for helping to shape the man I am today. I look forward to seeing the great work that the Jaycees will continue to do.

-Mike Tomaro

The Board of Directors and Blossom Time Chairman continue to look for ways to improve the Blossom Time festival. This year, there are so many things to tell you about, we decided to send it out to the public in advance as a public service announcement.

PUBLIC SERVICE ANNOUNCEMENT

SAFETY REMINDER

Each year, the Jaycees meet with the Village Officials, before and after the event, to discuss the event and look for ways to ensure the safety of all attendees. One area of emphasis is crowd control at the parade. The parade is exciting for children and they may not realize the danger of running in the street.

Parents – it is your responsibility to ensure your children are not running into the street and stay back at the curb.

RIDE BRACELET/TICKET PRICES

Ride bracelet session prices can be seen on page 25

- All weekend pass \$125

Please remember that the funds raised from Blossom Time are donated to 30+ worthy organizations throughout the year that directly impact life in the Chagrin Valley.

ALL-WEEKEND RIDE BRACELET

The Jaycees will offer an All-Weekend ride bracelet again this year for \$100 (when purchased pre-sale), which will be good for every session, all weekend long. These can be purchased online at the CVJCs website: cvjc.org. By purchasing your wristbands online prior to the event, you will be able to avoid the long lines at the ticket booths and pick up your pre-purchased wristbands at the Jaycee booth located at the Big Top tent entrance. Wristbands purchased at the festival will be \$125.

BLOSSOM TIME POSTER

Back by popular demand, Lyndall Insurance and the Valley Art Center conducted a contest to create a commemorative 2024 Blossom Time poster. The winning submission will be available for sale in the Jaycee booth or online at cvjc.org. There will even be limited-edition prints, signed and numbered by the winning artist! What a great way to commemorate a class reunion or special year!

BLOSSOM TIME RUN: STOP THE BANDITS!

The Blossom Time Run has more than two thousand runners but the number of people who don't register is estimated at over 500. With an entry fee of \$35, this is over \$17,000 in lost revenue. As previously stated, these proceeds go to support worthy causes in our own community. Additionally, the extra runners may interfere with registered runners who are interested in official race times. Please take the time to register for the race. Your registration will get you a Blossom Time Run T-shirt (while supplies last). If you choose to still not register, there will be officials at the starting line asking runners without a numbered bib to move to the back of the race field

CELEBRATION OF CHILDREN

The Jaycees would like to thank our Celebration of Children Sponsor - Thrive Early Learning Center. The Celebration of Children is an annual event where the Jaycees invite children with special needs from various regional schools and programs to enjoy Blossom Time in a lower stimulus environment. With help from our sponsors, children are provided a bagged lunch, entertainment from magicians and clowns and the opportunity to ride the rides without the overwhelming crowds and noise of a normal carnival atmosphere.

Blossom Time Parade

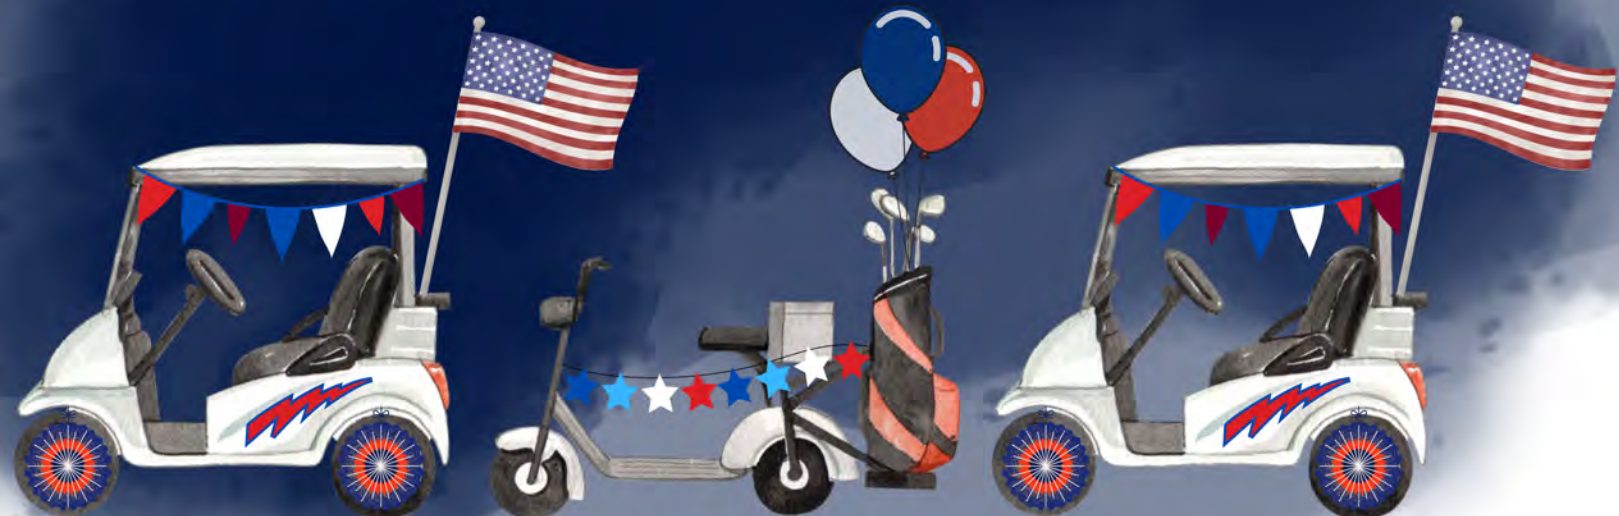

On Sunday May 26th, Chagrin Home Improvements, Ganley Chevrolet of Aurora and the Chagrin Valley Jaycees will present the annual Blossom Time Parade. This event is traditionally the climax of the Blossom Time Festival. The parade has become one the finest and most colorful parades in Ohio. This celebration was held annually in Chagrin Falls prior to World War II, and was revived by the Jaycees with great success. Bands, floats, fire engines, marching units, antique cars, and clowns from all over the state of Ohio have been among the featured attractions in past years.

Previous years parades have charmed an estimated 60,000 people, this year we are expecting an even larger crowd. We the Chagrin Valley Jaycees Charitable Foundation, Chagrin Home Improvements, and Ganley Chevrolet of Aurora would like to welcome everyone to the long-awaited Annual Blossom Time Parade in Chagrin Falls, Ohio!

Happy Blossom Time!

We hope you enjoy "A Weekend Unlike Any Other" at the 2024 Blossom Time festival, brought to you by the Chagrin Valley Jaycees for the past 68 years. With your assistance, the Chagrin Valley Jaycees support dozens of charities and community projects through memorable events like the annual Blossom Time Festival, Chili Brew-Off, and the Don Lawrence Memorial Golf Outing. Beyond financial contributions to organizations such as Chagrin Falls Park Community Center, Santa's Hideaway Hollow, Meals-on-Wheels, Shop with-a-Cop, and WomenSafe, our members give time and skills to projects like constructing the South Russell Village Park pavilion and creating the Riverside Park wheelchair-accessible entrance. Our commitment to the community includes hosting free, family focused events like the Annual Lighting of the Greens, Holiday decorations including bunting and flags, the Easter Egg Hunt, and Oktubafest.

As we celebrate the fourth anniversary of our endowment fund, we would appreciate your continued support as we progress toward the 2025 milestone targets. Our goal is to secure the current level of annual support that the Chagrin Valley Jaycees provides to our local community in perpetuity. We ask for your help to ensure a bright future for our charitable recipients. As we look ahead, we remain dedicated to enhancing the lives of those around us and fostering a stronger, more connected community for generations to come. Please consider making a tax-deductible donation at www.cvjc.org. (please consult your tax advisor).

We are incredibly grateful for the support and generosity of our community members, donors, and past Jaycees who have contributed time and resources to help us achieve our mission. Together, with our dedicated membership, we aim to achieve even greater goals and foster a stronger community for all. With the continued backing of our community, we are confident that we can make an even more significant impact in the coming decades. As we celebrate our successes and honor the memory of past Jaycees, we wish you the happiest Blossom Time.

Most importantly, we express our gratitude this Memorial Day weekend, exemplified by the parade on Monday in honor of our fallen heroes and veterans who made the ultimate sacrifice for our country.

Know the Balloons 2024

This year, Blossom is all about the balloons! Thursday night, the 23rd, there will be a Balloon Glow at Chagrin Falls High School (weather permitting). Before the Glow begins at 8:30 PM, there will be food trucks ready to serve you some delicious food at 6:00 PM! Hosted by your very own Buford T. Hedgehog! Grab some food, take your seat and get ready for a spectacular light and music show featuring the Hot Air Balloon flames.

Friday, Saturday, and Sunday there will be balloon launches from the high school starting at 5:30.

For up to the minute balloon status updates, please go to the JCs website, CVJC.org, or check the CVJCs Facebook page.

Know the Balloons 2024

Silver Wings

Pilot: Luke Russell
Auburn Township, Ohio

Blue with multiple
colored stripes and
numerous silver birds

Kubicek AX 8
90,000 cu. ft.

Luke received his pilot's license in August of 2006. Since then, he has flown in a number of balloon events across America both on his own and as a Re/Max pilot. He has also flown in Mexico.

Luke owns and operates the Falcon's Nest balloon repair station in Seville with Russell Wells and Mike Lorentz. He is also the area sales representative for Kubicek Balloons, which is based in the Czech Republic. He has over 300 hours as Pilot-in-Command.

Diamond Girl

Pilot: Ken Kus
Auburn, Ohio

Blue, white, red
diamond patterns
Aerostar RX 8
90,000 cu ft

Ken is a local pilot who has logged over 400 hours as Pilot in Command. He was the 2000 NOBPA Rookie of the Year and won the NOBPA Club Championship in 2003 & 2008, helped by a win here in 2008. He also enjoyed participating in the BFA Longjump Competition in 2003 & 2004, flying at altitudes up to 12,500 ft and covering 188 miles in 4 hours. Ken is self-employed and works as a service contractor in the northern Ohio area.

With the retirement of Craig Lucas this year, Ken has taken over as Balloonmeister.

New Horizons

Pilot: Jim Makowski
Troy Township, Ohio

Purple with a fan of
colors up one side
and down the other

Aerostar 105,000 cu ft

Jim became interested in ballooning in 1990, the year he moved to Bainbridge Township. That Memorial Day weekend the Blossom Time balloons flew over his home several times. He started crewing for Bill Cloninger in 1999 and in 2007 trained for his pilot's license in the Heber Valley at the Balloon School in Park City, UT. One of his most memorable flying experiences is the beauty of that valley at 2000 feet.

Other memorable experiences include flying at the Albuquerque International Balloon Fiesta in 2010, 2012, 2014, & 2021 with 500 other balloons. He has also flown in a number of events around Ohio as well as in other states. He has flown in Temecula, CA and the desert area around Ocotillo Wells, CA. Part of his joy in ballooning is being able to share his sport with others.

Pilot: Eugene Kenyo
Streetsboro, Ohio

Zig-zag pattern of red,
yellow, green, royal and
navy blue colors

Balloonworks AX7
77,000 cu ft

Eugene is back again at the Blossom Time Balloon Festival with an Adventurous Spirit. He got his start in ballooning in 1991 when he began crewing for local pilots, Terry Wasson & Craig Lucas. He began lessons and received his private pilot license in 2001. His crew consists of his wife Lauren, daughters Kate and Brooke, and friends Tim White, Mark and Jane Shaw, and Christine Sajen.

Adventurous Spirit

Pilot: Pat Karl
Montville, Ohio

Rose, green and yellow
vertical stripes with
black diamonds
Aerostar RX-8 AX8
90,000 cu. ft.

Pat got his start in ballooning crewing for Debby Young. He later received his lessons from Debby and received his private pilot license in 2001. He was flying when he can, which was hard when you have to borrow a balloon. In 2015 he got a balloon from Debby Young, and was been flying a little more regularly. Early last year "Thingamajigger" reached the end of life, so he was unable to participate in our event. Pat is returning this year with a new (to him) balloon, Candy Jar. His crew consists of his wife Valeri (Debby's daughter), and daughters Marissa and Roylynn, along with others.

Candy Jar

Phoenix

Pilot: Greg Miller
Grafton, Ohio

Yellow balloon with a teal,
pink and blue strip and
red and orange squares
Kubicek BB26D AX 8
92,000 cu. ft.

Greg received his pilot's license in 2004. Since then he has been NOBPA Rookie of the year in 2005, got his commercial license in 2007, was NOBPA champion in 2013, and was a BFA Long Jump winner in the winter of 2 years. He organized and had been the Wellington Balloonfest event director from 2008 to 2017 and has been Balloonmeister in Ashland from 2016 to 2023, as well as assistant director right here from 2007 to 2009. Greg has also been weather officer and safety officer at other events, and has also flown in several balloon events both in Ohio and other states. Besides doing commercial flights, he really enjoys sharing his sport with family and friends. He is approaching 1000 hours as Pilot-in-Command and brings his new balloon, Phoenix.

GRAND MARSHALL

one of media's most enduring broadcasters, Geraldo Rivera left Fox News in 2023 after 22 years. Currently he appears almost daily on NewsNation.

Rivera began his more than 50-year career at WABC-TV in New York where he presented a series exposing the deplorable conditions at the Willowbrook State School. These historic reports are credited with helping end America's policy of institutionalizing the developmentally disabled, leading to government investigations, institutions across the nation being eventually shut down and the civilized world adopting small, community-based housing as an alternative. Geraldo considers the subsequent sea change in the care and treatment of the disabled his most important contribution.

He and his wife Erica (Levy) live in Shaker Heights with their daughter Sol.

My experience with growing up in Chagrin was great. I love the constant support that the community gives whether that be through sports teams or other exciting events. Being from here my whole life has given me such great opportunities and I'm very grateful to have had my childhood in Chagrin. I plan on attending The University of Tampa in the fall and I'm studying communications.

Some of my accomplishments throughout high school are getting 2nd CVC twice for girls golf, honorable mention in girls golf, honorable mention for cheerleading, I've gotten 2 english awards throughout high school, social media chair for ed foundation, co-president of wellness club, link crew for 2 years, I've been dancing for 14 years.

Parents: Lauren and Jay Jones
Escorted by: Liam Butler

Growing up in Chagrin was so special to me because I was able to be with all of my classmates from kindergarten to graduation and that gave us the ability to watch each other become the people we are today. I plan on attending Ohio University and major in photojournalism.

Awards- Tiger of the semester, rotary student of the month, gold art award, photojournalism award, two years on varsity basketball.

Clubs- Leader of the wellness club, member of link crew, member of ultimate frisbee club.

I love attending concerts with friends and going on vacations with my family. Some places I have traveled with my family is Naples Florida, Dylan Colorado, and New York City.
