Hello Chagrin Valley,

We have finally come to see the light at the end of the pandemic tunnel! And do you know what's waiting for us? Blossom Time 2022!!

The Chagrin Valley Jaycees Charitable Foundation would like to welcome everyone to the long-awaited 64th Annual Blossom Time Festival in Chagrin Falls, Ohio. This festival is a gathering to celebrate and appreciate our Veterans, Active Military Personnel, the communities we call home, and The U.S.A.

This year's Blossom Time theme is "Blossom Time, An American Tradition Since 1956." Here's a rundown of the weekend.

Blossom Time will officially begin on Thursday, May 26th, at 5 pm when the park opens for rides. Shortly after that, the 32nd Annual "HG Agents and DogWatch Hidden Fences" Balloon Glow will delight audiences at Chagrin Falls High School. Please gather with friends and family to watch the balloons light up the sky with colors to music in a way I've only ever seen here in Chagrin Falls. All balloon activity, of course, is weather dependent.

Updates will be posted on the Chagrin Valley Jaycees' Facebook Page and website, www.cvjc.org.

Beneath the Thrasher Dinsmore & Dolan big top tent at Blossom Time, KMK Promotional Sales presents a weekend full of incredible acts and fun. We'll have staples like the Armstrong Bearcat band, The Jack Fords, and for the first time ever, a Friday Night Karaoke party! Show off your talent for friends and family at Blossom Time!

On Saturday and Sunday, the triangle will be filled with food trucks, thanks to Superior Beverage! "The Taste of Chagrin" will be open from 10 am until 9 pm in Triangle Park in the center of town. Local restaurants, food trucks, unique fine foods, and beverage vendors will all be there.

Sunday will be the busiest part of the weekEnd. It will begin with the 44th Annual Blossom Time Run, sponsored by Lyndall Insurance. Veteran runners already know that our course is primarily uphill, and you can see the finish line for most of the last mile! We have shorter races for kids, senior citizens, and people who like to walk the course.

Next is the parade that will start at the Chagrin Falls High School and be led by the 2021 State Champion Chagrin Falls Girls Soccer Team.

Our focus is to have the most fun while emphasizing the safety of everyone who visits. As always, we have the full support of our local police and fire departments. When you see them, please extend a hand and thank them for all their hard work keeping our neighborhoods safe throughout the year.

I would like to personally thank our wonderful sponsors for their support. You will see them in this digital mailer. Please thank them for supporting the Chagrin Valley Jaycees' Charitable Mission.

Last but not least, I must thank our extraordinary team of Jaycees volunteers. They take time out of their busy schedules to help put this festival together and bring it to the Chagrin Valley.

On behalf of The Chagrin Valley Jaycees Charitable Organization, I wish everyone a great, safe Memorial Day Weekend. I look forward to seeing everyone!

Sean McMillion
Chagrin Valley Jaycees President

PUBLIC SERVICE ANNOUNCEMENT

The Board of Directors and Blossom Time Chairman are constantly looking for ways to improve the Blossom Time festival. This year, there are so many things to tell you about, we decided to send it out to the public in advance as a public service announcement.

SAFETY REMINDER

Each year, the Jaycees meet with the Village Officials, before and after the event, to discuss the event and look for ways to ensure the safety of all attendees. One area of emphasis is crowd control at the parade. The parade is exciting for children and they may not realize the danger of running in the street. Parents – it is your responsibility to ensure your children are not running into the street and stay back at the curb.

RIDE BRACELET/TICKET PRICES

- Ride wristbands \$25 per session
- Full-day Friday wristband \$30
- All weekend pass \$85

Please remember that the funds raised from Blossom Time are donated to 30+ worthy organizations throughout the year that directly impact life in the Chagrin Valley.

ALL-WEEKEND RIDE BRACELET

The Jaycees will offer an All-Weekend ride bracelet again this year for \$85, which will be good for every session, all weekend long. These can be purchased online at the CVJCs website: cvjc.org. By purchasing your wristbands online prior to the event, you will be able to avoid the long lines at the ticket booths and pick up your pre-purchased wristbands at the Jaycee booth located at the Big Top tent entrance. Wristbands purchased at the festival will be \$85 as well.

BLOSSOM TIME POSTER AND T-SHIRT

Back by popular demand, GIVE! Chagrin and the Valley Art Center conducted a contest to create a commemorative 2022 Blossom Time poster and T-shirt. The winning submission will be available for sale in the Jaycee booth or online at cvjc.org. There will even be limited-edition prints, signed and numbered by the winning artist! What a great way to commemorate a class reunion or special year!

BLOSSOM TIME RUN: STOP THE BANDITS!

The Blossom Time Run has two thousand runners and the number of people who don't register is estimated at 500. Given the entry fee of \$25, this is over \$10,000 in lost revenue. As previously stated, these proceeds go to support worthy causes in our own community. Additionally, the extra runners can interfere with paying runners who are interested in official race times. Please take the time to register for the race. Your registration will get you a Blossom Time Run T-shirt and a commemorative medal. If you choose to still not register, there will be officials at the starting line asking runners without a numbered bib to move to the back of the race field

POSTER CONTEST

Give! Chagrin Valley Women's League, in partnership with the Chagrin Valley Jaycees and the Chagrin Valley Art Center present the winner of the third annual Blossom Time Commemorative Poster Contest.

Artists of all ages were invited to enter their best depiction of Blossom Time and Chagrin Falls. After going through many wonderful entries, we arrived at a winner: "Merry Go Round" by Rachel Dove Liberati!

The poster will be available for \$10 a piece or \$20 for a limited edition signed poster. They will be available at the booth near the Jaycees tent and entertainment tent.

Thanks to Lyndall Insurance for providing the prizes to our first, second, and third place winners!

BLOSSOM TIME

Parade

On Sunday May 29th, Ganley Chevrolet of Aurora and the Chagrin Valley Jaycees Charitable Foundation will present the annual Blossom Time Parade, celebrating its 64th anniversary. This event is traditionally the climax of the Blossom Time Festival. The parade has become one the finest and most colorful parades in Ohio. This celebration was held annually in Chagrin Falls prior to World War II, and was revived by the Jaycees 64 years ago with great success. Bands, floats, fire engines, marching units, antique cars, and clowns from all over the state of Ohio have been among the featured attractions in past years.

Previous years parades have charmed an estimated 60,000 people, this year we are expecting an even larger crowd. We the Chagrin Valley Jaycees Charitable Foundation, and Ganley Chevrolet of Aurora would like to welcome everyone to the long-awaited 64th Annual Blossom Time Parade in Chagrin Falls, Ohio!

Thank you to our great supporters, sponsors, government officials from the Chagrin Valley and individuals from the community. Without your great support, the Chagrin Valley Jaycees couldn't do what we do.

The Chagrin Valley Jaycees are well-known for fun, but it's a by-product of our mission. We love to decorate the Village of Chagrin Falls during the holidays and host events like Blossom Time, the Chili Brew-Off, and the Don Lawrence Memorial Golf Outing. These events are highlights on our calendars. The fun and camaraderie are just a happy consequence of our greater charitable mission.

Everything the Jaycees do is to generate awareness and proceeds to benefit of local charities and causes. We annually support the Chagrin Falls Park Community Center, Santa's Hideaway Hollow, Meals-on-Wheels, Shop-with-a-Cop, and WomenSafe, to name just a few.

Our community involvement does not end at merely donating money. It extends even further to the donation of our time and skills. Our members add value to our community by being a source of volunteer labor, assisting with projects like building the pavilion at South Russell Village Park, or offsetting construction costs on the new wheelchair-accessible entrance to Riverside Park by removing the stairs from the library down to the path. We host family-focused events for free to the public, like the Easter Egg Hunt and Oktubafest.

After two years of canceled Blossom Time festivals and skyrocketing costs, we realized we needed to find alternative avenues to support our mission. In the last year, we established an investment fund, led by our investment committee, giving us a long-term vision and ensuring the stability of our giving. We want to maintain our traditional giving with hopes of expanding our impact in the future.

Yes, the Jaycees have fun, but that is not our "Why?". The positive impact we have on our community is why the Chagrin Valley Jaycees exist. We're proud of all the ways we've helped in the past. We hope to make even more significant positive impacts in the future. We believe we can achieve these goals with your continued support and our thriving membership.

We welcome you to Blossom Time 2022...An American Tradition Since 1956.

If you have enjoyed yourself, please visit cjvc.org/donate and make a contribution. We're also now on Venmo @ChagrinValleyJaycees

We'll use the money wisely, locally, and for honorable causes.

Know the Balloons

**CAUTION:
HOT AIR
BALLOONS**

Pilot: Chris DiMichele, Mayfield Hts., Ohio

Strawberry shape, Aerostar S53A, 69,000 cu ft

Chris is no stranger to hot air ballooning. Ever since he was a toddler, Chris has been a balloon enthusiast. As soon as he was old enough, he started his pilot training under the instruction of Bill Cloninger. In 2000 he felt

honored to be in the air with 1000 other balloons in Albuquerque, NM. In August of 2003, Chris passed his flight exam and received his hot air balloon pilot license.

He then purchased his first balloon, Sky Berry, in 2005. Chris has been nick named "Captain Berry" for being the captain of a flying strawberry. His crew members also have their own berry themed names, such as "Mama Berry", "Merv Berry", and "Sister Vicki Berry". Even though Chris flies a giant strawberry he is actually allergic to them. Did you know the average strawberry has 200 seeds? How many seeds can you count on Sky Berry?

Sky Berry

Diamond Girl

Pilot: Ken Kus, Auburn, Ohio

Blue, white, red diamond patterns

Aerostar RX 8, 90,000 cu ft

Ken is a local pilot who has logged over 400 hours as Pilot in Command. He was the 2000 NOBPA Rookie of the Year and won the NOBPA Club Championship in 2003 & 2008, helped by a win here in 2008. He also enjoyed participating in the BFA Longjump Competition in 2003 & 2004, flying at altitudes up to 12,500 ft and covering 188 miles in 4 hours. Ken is self-employed and works as a service contractor in the northern Ohio area.

With the retirement of Craig Lucas this year, Ken has taken over as Balloonmeister.

Adventurous Spirit

Pilot: Eugene Kenyo, Streetsboro, Ohio

Zig-zag pattern of red, yellow, green, royal and navy blue

Balloonworks AX7, 77,000 cu ft

Eugene is back at the Blossom Time Balloon Festival again. He got his start in ballooning in 1991 when he began crewing for local pilots, Terry Wasson & Craig Lucas. He began lessons and received his private pilot license in 2001. His crew consists of his wife Lauren, daughters Kate and Brooke, and friends Tim White, Mark and Jane Shaw, and Christine Sajen. This year Eugene has his new balloon, and it's a beauty.

Pilot: Pat Karl, Montville, Ohio

Yellow with a stepped green spiral, Aerostar S-57A, AX8

Pat got his start in ballooning crewing for Debby Young. He later received his lessons from Debby and received his private pilot license in 2001. He's been flying when he can, which was hard when you have to borrow a balloon to fly. In 2015 he got a balloon from Debby Young, and has been flying a little more regularly. His crew consists of his wife Valeri (Debby's daughter), and daughters Marissa and Roylynn, along with others.

Thingamajigger

Pilot: Luke Russell, Auburn Township, Ohio

Blue with multiple colored stripes and numerous silver birds

Kubicek AX 8, 90,000 cu. ft.

Luke received his pilot's license in August of 2006. Since then, he has flown in a number of balloon events across America both on his own and as a Re/Max pilot. He has also flown in Mexico.

Luke owns and operates the Falcon's Nest balloon repair station in Auburn Township. He is also the area sales representative for Kubicek Balloons based in the Czech Republic. He has over 300 hours as Pilot-in-Command.

SILVER WINGS

CHECKERED PAST

Pilot: Russell Wells, Seville, Ohio

Black, yellow and green checkered,
Aerostar AX 8

Russ trained under Ken Myers and received his pilot's license in 2015. In the past he has attended several events in Ohio, including Ashland, Canton, Coshocton, Findlay, Ravenna, and Wadsworth. He has also flown at the events in Newcastle, PA and Albuquerque, NM. Russ' uncle, John Wells, is also a pilot. His crew are Shelly Blaschak and Mike Perko.

Pilot: Jim Makowski, Troy Township., Ohio

Purple with a fan of colors up one side and down the other
Aerostar 105,000 cu ft

Jim became interested in ballooning in 1990, the year he moved to Bainbridge Township. That Memorial Day weekend the Blossom Time balloons flew over his home several times. He started crewing for Bill Cloninger in 1999 and in 2007 trained for his pilot's license in the Heber Valley at the Balloon School in Park City, UT. One of his most memorable flying experiences is the beauty of that valley at 2000 feet.

Other memorable experiences include flying at the Albuquerque International Balloon Fiesta in 2010, 2012, & 2014 with 500 other balloons. He has also flown in a number of events around Ohio as well as in other states. He has flown in Temecula, CA and the desert area around Ocotillo Wells, CA. Part of his joy in ballooning is being able to share his sport with others.

NEW HORIZONS

Pilot: Mike Lorentz, Hartville, Ohio

Red, white, and blue with RE/MAX logo
Aerostar AX 8, 90,000 cu. ft.

Mike has been an avid balloon enthusiast most of his life. He finally took the leap to become a private pilot in 2017 and earned his commercial certificate in 2020. He has been active in the Northeast Ohio Balloon Pilots Association by helping with programs and the annual safety seminar.

As the Hartville Fire Chief, Mike's focus is on safety and education, both within the department and in the ballooning community. He also assists at the Falcon's Nest balloon repair station and is a Re/Max pilot.

Mike has flown in many places around Ohio and a few other states, as well as the Albuquerque International Balloon Fiesta in 2021. He is currently a member of the BFA and a FAA Safety Team member.

REMAX

RE/MAX®

FREE SPIRIT VI

Pilot: Eric Wasson, Chagrin Falls, Ohio

Red, with green, orange & yellow ovals
Kubicek BB17XR AX-7, 60,000 cu ft

Eric's first trip to the hot air balloon nationals was at the age of 10 months, when he rode in a cardboard box with his 10 month old cousin in the back of a VW bus.

As you can guess, Eric comes from a ballooning family. His father, Terry, was a pilot, and he taught Eric's Mom Paula and Eric how to fly, as well as Paula's brother Chris and friends Craig Lucas and Eugene Kenyo. Terry and Paula were also very involved with the Blossom Time Balloon Festival in the past.

Eric continues to keep it all in the family, since his wife, Sneha, is the crew chief and his sister Deidre, her husband Brian, and their kids, Jack, Peter, and Drew will be crewing. This year he again brings his racing balloon to the event.

Pilot: Greg Miller, Grafton, Ohio

Yellow racer with orange and red checkerboards
Cameron AX 7, 65,000 cu. ft.

Greg received his pilot's license in 2004. Since then he has been NOBPA Rookie of the year in 2005, got his commercial license in 2007, was NOBPA champion in 2013, and was a BFA Long Jump winner in the winter of 2 years. He organized and had been the Wellington Balloonfest event director from 2008 to 2017 and has been Balloonmeister in Ashland the past seven years, as well as assistant director right here from 2007 to 2009. Greg has also been weather officer and safety officer at other events, and has also flown in several balloon events both in Ohio and other states. Besides doing commercial flights, he really enjoys sharing his sport with family and friends. He has over 750 hours as Pilot-in-Command.
