Thank you for your interest in The Jackson Area Chamber of Commerce, please call us with any questions regarding membership.

The Jackson Area Chamber of Commerce was organized and incorporated in 1947. In 2000 the membership agreed to change the mission statement to, "We, the Jackson Area Chamber of Commerce, exist to promote, support and create business and programs that improve our quality of life." Over the years many programs have been developed in Education, Leadership, Economic Development, Services and infrastructure for our town. The Pine City Ambassadors Program provides youth with leadership experience in the local community, and provides scholarships to students who actively participate and graduate from the program.

Please visit our website (www.jacksonalabama.org) for more information on Chamber sponsored events and activities.
