*Dear Community Partner,*

*April is Child Abuse Prevention Month and the Luzerne County Child Advocacy Center is hosting our sixth annual gala, "Moonlight Masquerade", on Saturday, April 25<sup>th</sup>. The evening will include dinner, entertainment, and a silent auction all to benefit the children of Luzerne County!*

*The issue of child abuse has never been more important. Currently, in the United States, one out of every four girls and one out of every six boys will be sexually abused before they reach age 18. Ninety percent of sexual abuse happens at the hands of someone the child knows.*

*The Luzerne County Child Advocacy Center was founded in 2010. It is a private, nonprofit organization whose mission is to protect all children who have become the victims of physical or sexual abuse. We provide free medical exams, forensic interviews, and family advocacy services to each child and family who walks through our doors.*

*When the Center opened its doors in 2010, we assisted 155 children who were victims of abuse. In 2019, we have served over 460 children who were abused. Since its inception, the Child Advocacy Center has assisted more than 3,000 children and families in Luzerne County.*

*Our need for community support is greater than ever! We are asking you to consider a partnership with the Child Advocacy Center by becoming a sponsor of our Sixth Annual Gala. Your sponsorship will include recognition in all activities surrounding the event. We hope you will lend your support and help us make our sixth annual gala a success. On behalf of the children of Luzerne County, we sincerely thank you for your continued support!*

*Sincerely,*

*Shannon Peduto*
