Wake Harvest is a youth mentorship and development organization located in Raleigh, NC. Our programs are designed to give our youth a hope for the future.

At Wake Harvest we discuss everything from entrepreneurship and challenges in school, to the importance of emotional regulation, respect and obedience, and much more.

Teen Quest meets after school every Wednesday. Your teen will hang out at our center, which we call "The Clubhouse".

We want our students to know they are supported at school, at home, and in everyday life.

Teen Quest is intended to provide a fun and safe environment where teenagers can talk about life, meet new people, build relationships, and learn life skills. We encourage children to socialize through introductions, fun, and games.

Sowing seeds of positive self-esteem and healthy confidence is critical to reap a HARVEST of success in the next generation.
