

WAKE HAVEST

YOUTH MENTORSHIP PROGRAM

2601 Blue Ridge Road, Suite 2
Raleigh, NC 27607

(919) 561 - 9740

Our Wake Harvest Youth Mentorship Program is designed to give our youth a hope for the future. We meet one Saturday every month and would love for your family to join us.

During our youth mentorship events we encourage children to socialize through introductions and fun and games. Our center is equipped with an air hockey table, pool table, ping pong, lots of games, arts and crafts, and more.

We discuss everything from entrepreneurship and challenges in school, to the importance of emotional regulation, respect and obedience, and much more.

Showing our children all of the different options of who they can become, introduces them to the embodiment of hard work and dedication. We want our students to do better in school, at home and in everyday life.

Sowing seeds of positive self-esteem and healthy confidence is critical to reap a HARVEST of success in the next generation.

Our Program is one of a kind. Wake Harvest is created to be a support system for both children and families. To learn more or enroll in our youth mentorship program, please visit us at wakeharvest.com.
