General Information

Wake Harvest

Wake Harvest is a community outreach program created by JRV Consulting, LLC. This program is designed to positively influence the lives of the youth in our community. The Winter/Spring/Summer Camp Programs are an extension of Wake Harvest.

Hours of Operation

Wake Harvest Camp hours are Monday through Friday from 7:30am – 6pm.

Wake Harvest is closed on Monday, 7/4 in observance of Independence Day holiday.

Registration Requirements

There is a one-time \$20 registration fee.

Registration is open for children ages 5 – 16. We are not yet equipped to serve children with special needs. However, those with minor needs will be considered on an individual basis.

All enrollment forms must be completed in full before a child attends the camp.

One week tuition per child is due at time of registration. \$10 per week, per child is due upon enrollment to reserve your child's spot in multiple camp weeks.

Facilities

Our center (aka clubhouse) address is **2601 Blue Ridge Road, Raleigh, NC 27607**. We are located next to the Medical Supply store.

Parents will be given the detailed locations of field trips for each week of your child's camp.

Health and Safety

Records

Completed emergency contact forms will be kept on file for each child.

COVID-19

1. In response to COVID-19 Wake Harvest Team members sanitize high-traffic areas and commonly used surfaces periodically throughout the day. All students and team members are required to complete daily symptom screenings to ensure no one is symptomatic prior to entering our Clubhouse. PLEASE NOTE: We will not allow anyone who is experiencing symptoms to enter. Masks will be optional. All Campers are required to follow proper hand hygiene throughout each day.

Illness

Illness is difficult for working parents, but these policies are intended to protect all our children from catching the many infections that can spread. We ask that you help your child's program director by not sending your child to camp when they are not feeling well.

A sick child is to be cared for at home. If your child develops a fever (of 100 or above) or has other signs or symptoms of sickness (such as diarrhea, vomiting, pink eye or rash) please keep your child home to prevent causing other children to get sick.

If your child develops a fever or any signs of sickness our team will notify you to pick up your child as soon as possible or at least within 1 hour.

Injury

We foster a safe environment for all students and take pride in keeping a fun and controlled atmosphere. Wake Harvest is not held liable if a child is injured while participating in WH programs.

Medications

Please ensure your child's medication is given prior to arriving to camp for the day. We prefer to avoid medication being dispensed by our team.

Emergency Treatment

At the time of enrollment, all parents/guardians must fill out an "Emergency Information/Medical Treatment Authorization Form" and keep the information on that form always updated. If an emergency arises, the form is used to give consent to emergency medical treatment if the parents/guardians cannot be contacted. The form is kept in the child's file.

Release of Children

At the time of enrollment, all parents/guardians are asked to list persons to whom their child may be released. The child will not be released to anyone not listed on the enrollment form. Suitable forms of identification may be required of persons other than parents who are picking up children. Please update list if any change needs to be made.

Meals and Snacks

Please be sure your child has eaten breakfast before they arrive. We ask parents to provide children with a nutritious lunch and snacks. These should not require refrigeration or heating; however, a refrigerator and microwave are available. Additional snacks (2 daily) and water will also be provided.

Clothing and Personal Items

Please ensure your child is dressed appropriately. Dress should be such that your child may enjoy running, climbing, working with arts and craft materials without worry. No open toed shoes or sandals allowed during field trips.

Bullying Policy

We are a zero tolerance for bullying program. Note: any child suspended for behavior or disciplinary reasons will still be billed.

Discipline Guidelines

We feel positive reinforcement produces desired behavior. Our goal is to do what is in the best interest of the child, and to work very closely with each child and his/her parents. We want to help children develop physically, socially, emotionally, and intellectually in a wholesome positive atmosphere that is safe and orderly.

A positive approach with emphasis on self-control and positive self-image will be used to discipline children. Techniques of discipline include talking to the child to make sure he/she understands what is expected of him/her; offering alternatives; praise and reward; and keeping communications open between parent, child, and staff.

Children shall not be subjected to discipline, which is severe, humiliating, or frightening. Discipline shall not be associated with food. Spanking or any other forms of physical punishment is prohibited.

Discipline must always be done with dignity, keeping in mind the feelings, emotions, needs and values of the child and Wake Harvest.

Negative consequences for misconduct are necessary to help children understand that they must obey their teacher and stay within the limits he/she sets for his/her children.

Positive reinforcements are needed for children as well for appropriate behavior. This helps children focus on good conduct.
