Page 1 of 1

NAME: Darren S. Barfield

I was outside when I heard Cheryl crying so I went inside and found a man trying to rape Cheryl, he got up we struggled he stabbed me in the chest twice then I backed up and saw his body looked just like Kevin I moved to approach him & he struck my chin with his fist & swung the knife so I backed up again. He went to the bedroom and closed it behind him I went to the door & tried it and he was holding it shut I told him to move because my son was out there he let go of the door I followed he went to the back sliding glass door it was barred (over)

Before me this day personally appeared Darren Barfield, who being duly sworn, attests to the truth of his/her statements.

Sworn to and subscribed before me this 15 day of July, A.D. 19 89.

M of Largo

Taken In my capacity as a law enforcement officer as defined in 943.10 F.S. with
Largo Police Department and on authority of 925.095 F.S.

I looked at him and saw
it was Keven & told him to
go out the front door he
went out the door I ~~waited~~ waited
a few seconds and followed
him he turned and looked at
me & I reconfirmed it was
in fact Keven I chased him
and lost him.

The reason I ~~waited~~ waited
before I told the police
~~that~~ who it was because
I was in shock & very
traumatized my only concern
was to see my family safe
and to get myself to the
hospital as quickly as
possible.
