Presentation Title:

***The World Plastic Crisis and
how Industrial Hemp can help***

David is an enrolled member of the Standing Rock Sioux Tribe of Fort Yates, ND and descendant of the Turtle Mountain Band of Chippewa Tribe of Belcourt, ND. David attended school and grew up on the Spirit Lake Nation and Turtle Mountain Reservations in North Dakota. David was nominated for National Indian Business owner of the year in 1997 and 2005 by IBM. David is the CEO of Chippewa Harvest LLC, a company owned by the Turtle Mountain Band of Chippewa Indians. Chippewa Harvest is growing and producing Industrial Hemp products and has a long-term mission of using every part of the hemp plant.
