

Plastic Pollution Mitigation Fund Tribal Kickoff Webinar

[Click to learn more](#)

CalEPA Webinar Invitation

This webinar will provide an overview of the Plastic Pollution Mitigation Fund, a \$5 Billion fund that will be distributed in increments of \$500 Million per year for the next 10-years beginning in July 2027.

Highlighting opportunities for collaboration, and introducing resources available to support Tribal communities in advancing plastic waste reduction and environmental protection initiatives. This will be an opportunity for Tribes and Tribal Communities to assist in shaping how the \$500 Million per year can be leveraged to support Tribal communities.

CalEPA is committed to working in partnership with Tribes to address plastic pollution in a way that respects Tribal sovereignty, incorporates traditional ecological knowledge, and reflects shared environmental priorities.

Date:

**Wednesday,
April 8, 2026**
