

# ARKENFIELD STABLES

**We have been working hard behind the scenes to ensure your safety during camp. The following protocols will be in place to make sure that your stay with us is as enjoyable as always, and most importantly as safe experience as possible.**

**In addition to our safety protocols, each camper or guest has a responsibility to play their part in keeping themselves, their fellow campers, staff and instructors safe. We will expect every camper to behave responsibly and follow current government guidelines on social distancing, hand washing etc.**
