

RULES COMPLIANCE CERTIFICATE APPLICATION

Your application must include scale drawings showing details of your project using the below grid.

Use as many copies of this form as needed to include the required drawings.

Each 1/4 inch square below equals 1 square foot. You may use your own 1/4" graph paper.

Your application must include the following applicable drawings: Floor plan or layout, front and end/side elevation views, site plan layout which includes RV/camper location with proposed project, all lot lines, and any other pertinent information.

A large grid of 40 columns and 30 rows of squares, used for scale drawings. Each square represents 1 square foot.
