

March 8, 2026

Hello Neighbors,

Road Repairs: Unfortunately, road repairs are now scheduled for April 13th through April 17th. Of course, weather will be a factor. Please make sure that all vehicles are removed from the street by 8:00 am. DNE will provide us with more information as we get closer to the work date. We will post this information at the exit gate and send out an email.

In the past many have been concerned that the cost would change due to date changes. The cost will remain the same. The excess of leaves on the street due to our frost presents a problem at this time.

Respectfully,

Laurelwood Board of Directors
