Future-Proofing: Spend Your Money Smarter

IDEAS · CHALLENGE

ADVANCED RESEARCH PROJECTS AGENCY · INFRASTRUCTURE

The U.S. Department of Transportation (USDOT) Advanced Research Projects Agency – Infrastructure (ARPA-I) has launched a new Ideas Challenge. The Ideas Challenge is ARPA-I's open call to American innovators across the public and private sectors to help transform the future of transportation. The challenge will be an opportunity for individuals to showcase innovative concepts that will improve safety, lower costs, and enhance America's infrastructure. [Read More](#)

Future-Proofing: Spend Your Money Smarter

The economy is more uncertain than ever, and construction companies may feel the instinct to cut spending as a result. While simply spending less is an option, strategic spending in workforce management can prevent cost leaks and lock in the right skilled labor to keep your company moving forward. [Read More](#)

CEI DBE SUPPORTIVE SERVICES

The goal of the DBE Supportive Services Program is to boost the presence of certified DBE contractors and consultants in KYTC projects, increasing the dollar percentage allocated to DBEs.
