HB Masonry, LLC was established in 1978. We are a masonry contractor for construction managers, Design-Builders, and/or general contractors. Brick, Block, and Stone construction is our specialty. We are the company of choice for quality within budget and ahead of schedule. We will lead the masonry construction process for sustained growth and profitability through ethical business practices, company-wide commitment to a safe work environment, and professional performance creating value for our customers.

Core Competencies

- Brick Construction
- Block Construction
- Stone Construction
- Pavers

Differentiators

- We stand for quality of our work rather than quantity.
- We serve across Kentucky with the highest quality masonry services, using the very best products the industry has to offer.
- Our dedicated staff will work hard to make sure that you're satisfied every step of the way.
- At HB Masonry we focus on safe, strong and beautiful construction, client interaction, reliability and efficiency.
