

Reliable Service. Quality Supplies.

## Capability Statement

Our goal is to "do well" to increase our ability to "do good"

**RelySupply, LLC** provides high quality motor oil, greases and lubricants, chemicals, coolants and antifreeze, winter road maintenance systems and hydraulics. Our primary target-markets are cities and municipalities, school districts, transit systems and other public organizations operating large fleets as well as customers in the private sector. We have developed national distribution relationships to guarantee quality service and the reliable delivery of high quality products virtually anywhere in the country. We constantly enhance our sourcing to bring increasingly more value to our customers. Our distribution strategy allows us to provide all major brands and many quality private labels wherever and whenever you require them.
