

# Capability Statement

## BRIARPATCH VENDING LLC

**Empowering Women Anytime. Anywhere.**

Erica aims to ensure that her vending machines are prominently located in transportation hubs such as bus stations, train stations, and airports, as well as in sporting arenas and other venues where women are actively on the go, living their lives.

### CORE COMPETENCIES

Briarpatch Vending, LLC offers comprehensive vending solutions for businesses, offices, and facilities. With four years of experience, we are a trusted partner dedicated to keeping your team and guests refreshed, happy, and productive.

- Committed to diversity and inclusion in the workplace.
- Fully insured, prioritizing exceptional customer service.
- Providing expert advice and coaching for other vending machine businesses.

### DIFFERENTIATORS

- HerEssentials for 'The Woman on the Go'
- 24/7 Customer Service and Support
- Credit Card Readers
- Mobile Payment Options for a Seamless Experience
- Remote Data & Reporting to Maintain Proper Inventory Levels
- Touchscreen Interfaces for User-Friendly Selection

### CLIENTS AND PROJECTS

Briarpatch Vending has successfully expanded its operations within Mason City Schools, increasing its presence from 2 to 9 vending machines to cover all district buildings. Additionally, the company has offered its expertise by consulting a new vending machine business owner over a three-month period, demonstrating its commitment to supporting industry growth and development.
