

# GUN & POWDER

WORLD PREMIERE MUSICAL

Saturday 2/8/2020 with Dinner

Cost: \$130

This play is based on a true story, which made a way for the sisters Clarke in a dynamic, moving and inspiring world premiere musical of notorious outlaws who ruled the Wild West.

To help their mother settle a sharecropper debt, Mary and Martha Clarke—light-skinned African American twins—passed them off as White to seize the funds by any means necessary. However, their bond of sisterhood is tested when they fall in love with two very different men, one Black, the other White.

Award-winning director Robert O’Hara makes his Signature debut in this soaring musical that examines race, family and identity with two electrifying women who went from farm girls to legends with gun and powder.
