### *Wedding Flowers Terms & Conditions*

A 10% Non-Refundable Deposit is Required to Hold Your Event Date, Payment in Full One Week Before Event.

Please note, we plan our designs by color scheme and style, not specific flowers. We are a seasonal farm which means you'll receive one of a kind arrangements using local, fresh flowers that are blooming at your event date. We can not promise specific flowers on specific dates.

We are happy to show you examples of typical flowers that will be blooming and different floral styles. We work hand in hand to choose an aesthetic that is uniquely yours for your special day using locally grown flowers.

All of our arrangements include vases or vessels. They do not need to be returned. If you have special vases you'd like us to use, they need to be delivered to us one week before your event.

Once you are ready to get started, please fill out our wedding questionnaire on our website - [bumblingbeeflowers.com/wedding](http://bumblingbeeflowers.com/wedding)

Once we receive your wedding questionnaire and deposit we will set up a private Pinterest board for you to add your inspiration photos. We can also share ideas and notes there.

We will touch base about a month before the event to check in and see if there are any changes. At any time, feel free to send emails or texts if you have questions but you can hold changes (unless they are major) until 4 weeks before. You can make changes up to one week before your event. After that, we will do our best to accommodate your request but can't guarantee it!

**Thank you for allowing us to quote your flowers!**

***We look forward to working with you!***
