

IMPORTANT PARKING DIRECTIONS

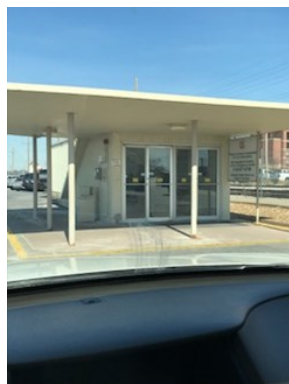

HOW TO PARK IN THE PHILLIPS 66 PARKING LOT

Directions when coming from the east traveling on Adams Blvd.

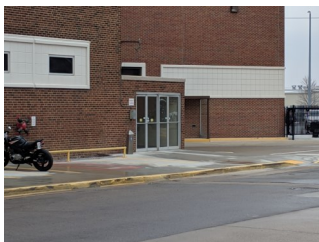

- Coming in from the East on Adams Blvd. continue through town until you reach the rail road tracks
- Turn Right after the rail road tracks and you will be able to see the entrance to the Phillips 66 Parking Lot

Please Park in the Parking Lot if you cannot find a parking spot around the Adams Building.

In the middle toward the right side of the parking lot is the entrance to the tunnel. Press the button and security will unlock the door. Enter and walk through the tunnel. When you exit the tunnel you will be across the street from the Adams Building.

You will exit out of this door

Using the cross walk, cross the street and enter the Adams Building using the ramps

If coming from the West, reverse directions to get into the parking lot
