OBJECTIVE

Be concise and direct. Where do we go from here?

OUR SERVICES

Convince the potential business partner by stating what you do that can be in conjunction with what the other party offers or vice versa.

PARTNERSHIP MODEL

How do you go through the partnership process that is efficient for both parties and especially consumers.

SALES PROCESS

This one correlates with PARTNERSHIP MODEL. Specify the step by step processes including ease of use for your services and mode of payment.

How It Works

You may create a simulation poster to picture exactly how you go through the process including logistic.

DEALING WITH RETURNS

In this section, you may state your logistics partner and Exchange, Refund and Return process. In case of dispute, who will deal with it-you or the potential business partner?

Return Process

Just like How It Works, create a poster to clearly show the process.

WHY PARTNER WITH US (or state your company name)

Outline 2 or 3 (or more) beneficial reasons why you should partner together. Here, you emphasize the OBJECTIVE of this partnership.

TERMS AND CONDITIONS

This is an outline of house rules that both parties should agree upon.

WHAT'S NEXT

Should the potential business partner agree, schedule for a meeting to discuss the next steps.

ACCEPTANCE AND SIGNATURE

Take note, it is crucial that both parties agree with everything that has been discussed during meeting.
