

# Resuscitology Workshop, 18<sup>th</sup> Jan

Venue:- St. Johns Medical College, Ground floor, Simulation lab

Ventilator Station	A- Ventilator basics & Troubleshooting B- COPD ventilator management C- ARDS ventilator management
Monitoring Station	A- ETCO2 waveform reading B- Ultrasonography in resuscitology C- Invasive Arterial BP monitoring
Toxicology Station	A- Shock and toxicology B- Arrhythmia in toxicology
Shock Station	A- Trauma resuscitology B- Sepsis resuscitology

## Your Resuscitologists

Dr. Shakuntala Murty  
Dr. Priyanka M K  
Dr. Madhu Srinivasarangan  
Dr. Kartik Reddy  
Dr. Anoop Vishwanath Chikmurge  
Dr. Kiran Kumar Gudivada  
Dr. Ravikanti Karthik  
Dr. Anita Mary Varghese  
Dr. Priyanka V. N  
Dr. Harshit Mundra

**8:00 – 8:30**

**Registration**

8:30 – 9:00

Introduction to resuscitology

9:00 – 10:30

Ventilator Station A,B,C- Group 1

Monitoring Station A,B,C- Group 2

Toxicology Station A,B- Group 3

Shock Station A,B- Group 4

**10:30 – 10:45**

**Tea**

10:45 – 12:15

Ventilator Station A,B,C- Group 4

Monitoring Station A,B,C- Group 1

Toxicology Station A,B- Group 2

Shock Station A,B- Group 3

12:15 – 12:45

Ventilator Station A- Group 3

Monitoring Station A- Group 4

12:15 – 1:00

Toxicology Station A- Group 1

Shock Station A- Group 2

**12:45 – 1:45**

**Lunch for Group 3,4**

**1:00 – 2:00**

**Lunch for Group 1,2**

**(4th Floor - Medical College Building)**

1:45 – 2:45

Ventilator Station B,C- Group 3

Monitoring Station B,C- Group 4

2:00 – 2:45

Toxicology Station B- Group 1

Shock Station B- Group 2

2:45 – 4:15

Ventilator Station A,B,C- Group 2

Monitoring Station A,B,C- Group 3

Toxicology Station A,B- Group 4

Shock Station A,B- Group 1

**4:15 – 4:30**

**Feedback & Tea**
