To date our 50/50 donations have been \$50 Central Okanagan Hospice, \$50 Mama's for Mama's and tonight's 50/50 of \$55 + \$70 for the MG and RITV items sold will go to the Food Bank.

John White brought a signed and numbered print by Alex Fong commissioned by the club in RITV days.

Another member has another with a different car that he will bring to the next meeting (sorry, I don't remember his name). Suggestions on what to do with it are open for discussion.

One was to auction it off to one of the club members.

Another was to frame it and present it to the presiding President with it being passed on to each upcoming president with a history on the back side of the print/painting.
