

The beautiful Window on the west side of S. S. room was paid for by Charles Marshall The large front Window by Geo. Zimmerman who gave so much toward the church. The frame work lumber was cut from the timber on his land and donated to the church.

10 Charles Marshall, ~~we are forever~~ grateful for so much ^{carpenter} work done here. So Mr. Ellis L. Marshall and James Walker who plastered the ~~hall~~ church to just about the whole population of this community who gave so much that we may have this beautiful little church which stands as a Beacon to all who enter or ~~by~~ pass by this little village.

Mabel Burick - Homer Alton McPherson

Now the new basement has been added which gives more room for classes and is very convenient to entertain and prepare meals by which the Ladies earn ^{money} to keep things going.
